If you have any questions about which courses you are to enroll in for the summer term, please contact Kristi Hammond at 608-263-5258 or kristi.hammond@wisc.edu. Please remember, you are expected to enroll according to the program plan provided at the time of admission unless you've been given an approved modified program plan to follow.

Pre-approved electives are listed here. If you have an interest in an elective course over the summer, you may search through the Class Search & Enroll App to identify something interesting and relevant and submit it to Kristi for approval. Elective courses are often more prominent during the fall or spring terms. You must earn a total of 3 elective credits before graduating.
