

Sneak Peek: Strategies for Discovering Workplace Culture

Thursday, October 3

12:00pm - 1:00pm | Union South (Check TITU)

Buffet lunch will be served. [Registration required.](#)

How can students dig deeper and get that sneak peek into a company's culture? This session will dive into strategies available via social media inquiries, Employee Research Groups (ERGs), diversity policies, and LinkedIn advanced search options. We will also be discussing key, open-ended questions for applicants to ask during their interviews, specifically designed to get a sense of workplace culture. Join us for a presentation and discussion with career advisor Andrew Kohls.
