

Improvistional Theater for Health Professionals: Because life isn't scripted

Want to get better at thinking on your feet?
Looking for an interprofessional class?
Want to have some fun while you learn?
If your answer to any of these questions is...

Yes!

Interprofessional Improv (Class # 78120) is for you

It is a 6-week, 1-credit interprofessional course based on the
Watson/Northwestern Medical Improv Curriculum

And...

Will meet virtually on Thursdays

9/17-10/22 from 5:00pm to 7:30pm
