

# WISCONSIN AHEC SCHOLARS PROGRAM

## 2020-21 PROGRAM OVERVIEW: COHORT 3

JOIN A NATIONAL COHORT OF OVER 4,000 AHEC SCHOLARS ACROSS THE COUNTRY

As an AHEC Scholar, you can set yourself apart in an ever-changing and increasingly competitive healthcare system with a nationally recognized program.

THIS TWO-YEAR PROGRAM IS DESIGNED TO PROVIDE OPPORTUNITIES FOR HEALTH PROFESSIONS STUDENTS TO:

- Increase leadership skills and build your professional network
- Broaden scope of practice and learn strategies to become a better practitioner
- Understand and address social determinants of health in rural and underserved communities
- Recognize the role of practice transformation in addressing health and public health issues

WHAT MAKES WI AHEC SCHOLARS UNIQUE?

- Prepares and promotes a diverse, skilled primary care workforce in rural and underserved communities throughout Wisconsin
- Flexible and complimentary to existing curriculum
- Work in team-based environments that foster inclusivity and focus on patient-centered care
- Learn and understand the unique challenges that face underserved and rural Wisconsin populations when accessing care and achieving good health status

PROGRAM ELIGIBILITY

- Currently enrolled in an approved health professions degree program: dentistry, medicine, mental health counseling (or similar program), nursing, occupational therapy, pharmacy, physical therapy, physician assistant, public health, social work
- On track to graduate in Spring 2022, Summer 2022, or Fall 2022
- Able to commit to active participation as an AHEC Scholar for two consecutive years while concurrently working towards your degree program
- Interest in working in a rural and/or underserved area within Wisconsin upon graduation

**EARN A CUMULATIVE \$1,000 STIPEND OVER THE COURSE OF YOUR WI AHEC SCHOLARS COMMITMENT AS YOU ACHIEVE PROGRAM MILESTONES**
