

**FRESENIUS
MEDICAL CARE**

Be a vital part of something bigger.

As an entry-level nurse with Fresenius Kidney Care, you will make a difference in patients' lives every day. Our entry-level nurse positions offer rewarding, immersive opportunities to combine your classroom knowledge with hands-on job training. Grow personally and professionally as a **Nurse Resident**.

No need to wait until you pass the NCLEX to start your nursing career. Be a vital part of a leading Healthcare Company that offers you:

- ✓ Up to \$14k in Bonus Incentives
- ✓ Career Path Opportunities
- ✓ Total Rewards & Benefits

Visit us on campus or [meet us virtually](#) to learn how you can put your education to work helping patients thrive.
