2025 MADISON AREA NURSING SYMPOSIUM

Empowering Nursing Through Partnerships, Evidence-Based Practice, Quality Improvement and Research.

UW Health, UW–Madison School of Nursing and Madison VA Hospital & Clinics are co-hosting a nursing poster fair that aims to include all nurses in the Madison area.

This exciting event will also have keynote and podium presentations that focus on how Madison area nurses are enhancing our profession through partnerships, evidence-based practice, quality improvement and research.

Poster and podium applications are open to nurses, nursing faculty and nursing students. Each participating organization is using their own application system. **SoN applicants use this QR Code to apply.**
