

PhD Change in Dissertation Committee Membership Approval Form

Requirements for the composition of PhD dissertation committees, per current UW-Madison Graduate School Policy:

1. The chair or co-chair of the committee must be Graduate Faculty* from the student's program.
2. PhD dissertation committees must have a minimum of 4 members, 3 of whom must be UW–Madison graduate faculty, former UW–Madison graduate faculty up to one year after resignation or retirement. At least one of the 4 members must be from outside of the student’s major program or major field (often from the minor field).
3. The chair may designate 1 of the 4 members of the committee as a non-reader.
