NURSING PIN CONTACT INFORMATION OPT OUT BY SUNDAY, FEBRUARY 5

Every year UW-Madison nursing graduates are given the opportunity to order an alumni pin through our partners at [J. Brandt Recognition](#). The history of the pin can be found [HERE](#). In order to access the UW-Madison specific pin for ordering, J. Brandt must make an account for each student in order to associate your account with the UW-Madison pin; to do this, we must send them a list of all graduating students' names and wisc.edu email addresses. **If you have no interest in ordering an alumni pin and would like to be left off the list we send to J. Brandt, please indicate so through [this Opt Out Survey](#) by end of day Sunday, February 5, 2023.**

Having an account set up in no way commits you to purchasing a pin; it is merely a way to give you access to see the pin options and pricing. J. Brandt only manufactures UW-Madison pins once a year, so if you do not purchase one now but in the future decide you would like to, you can contact our Alumni Relations Officer and they will provide you with timelines and details on ordering an alumni pin.

After we send the email list over to J. Brandt, they will create an account for you and send an email with Online Ordering Instructions. This email will come from an @jbrandt.com address. Their deadline to order a pin is usually in mid-March; the exact date will be listed in the ordering instructions.

If you have any questions about the pin or email list, let us know! If you have any questions specifically about ordering, you should reach out to [J. Brandt Recognition](#).

NOTE: This pin is not the NAO Alumni Pin Recipient Award; this is YOUR alumni pin. More information about the NAO Alumni Pin nominations and ceremony will be sent out at a later date.

APPLY TO GRADUATE BY MARCH 31, 2023

Students must apply to graduate to receive their diploma and attend Commencement. **Students who have not applied to graduate by March 31, 2023, will not see their name in the printed Commencement program.**
