Notes:

- The four experiential learning (clinical) courses end in the number 6. Students complete four rotations during the program.
- Students in the Nursing Honors Program complete N679 instead of N447 during the Year One spring term and complete the N681/N682 Senior Honors Thesis (1-2cr each) sequence in the fall and spring of Year Two.
- Nursing electives are offered each semester. These electives may include: N470, N510, N511, N517, and 590.
- Immersion programs are typically offered in the summer term between Year One and Year Two, which may impact N436 in the fall of Year Two.
